

DSA LAB 1

SORTING - PRACTICE PROBLEMS

Easy –

<https://leetcode.com/problems/apple-redistribution-into-boxes/description/>

<https://leetcode.com/problems/two-sum/description/>

<https://codeforces.com/problemset/problem/220/A>

<https://codeforces.com/problemset/problem/1088/B>

Medium –

<https://leetcode.com/problems/3sum/description/>

<https://leetcode.com/problems/wiggle-sort-ii/description/>

<https://codeforces.com/problemset/problem/1618/D>

<https://cses.fi/problemset/task/1084>

Hard –

<https://leetcode.com/problems/reverse-pairs/description/>

<https://codeforces.com/contest/2121/problem/D>

<https://codeforces.com/problemset/problem/1197/C>

Confidence breakers –

<https://leetcode.com/problems/count-of-range-sum/description/>

(hint – try applying merge sort concepts)
